§

Case No. 2:11-CV-294-JRG-RSP

**ORDER**

Before the Court is Plaintiff Achates Reference Publishing Inc.'s Motion to Stay Pending *Inter Partes* Review (Dkt. No. 371).<sup>1</sup> Apple has agreed that if this case is stayed until the Patent and Trademark Office issues an appealable decision, "Apple will not contest in this action the validity of any claim determined by the PTO to be patentable on any ground that Apple raised or could have raised in the IPR proceeding." (Dkt. No. 377.) With this stipulation by Apple, the Court is persuaded that the requested stay is warranted. Accordingly, the claims between Achates and Apple are hereby STAYED until further order of this Court. All future deadlines in the docket control order are hereby VACATED.

Achates is ORDERED to file a notice describing the status of the *inter partes* review on September 1, 2013 and every six months thereafter, and within 21 days of the issuance of an appealable decision by the Patent and Trademark Office.

**SIGNED this 31st day of May, 2013.**
